JUDGING CRITERIA

The performance of each rider is judged on overall impression including, but not limited to :

- Difficulty (refers to not only the tricks performed but also the placement of the tricks within the course and the
- Progression,
- Variety of tricks (refers to a good mix of standard airs, rotations, grinds, ...), combinations used.
- Risk factor,
- Height (amplitude of the tricks performed),
- Landings,
- Flow,
- Style,
- Use of the course,
- Originality (tricks and lines) and versatility,
- Execution.

The overall composition of the runs is most important as the judges evaluate the sequences of tricks, the amount of risk in the routine, and how the rider uses the course. The judges take errors such as falls and stops into consideration.
