Drivers are responsible for the manner in which they drive; if they fail to observe the regulations, they face significant financial penalties as well as the suspension of their UCI License (as a driver and any other role they may have). The sanctions related to driving in the race convoy are defined by Articles 2.2.038 and subsequent of the UCI Regulations.
2. Neutral technical service will be provided by 3 neutral cars, in case of puncture, riders are recommended to point out which wheel suffers from a puncture, this will let the neutral service staff to prepare the wheel in advance.
3. Time limits
There is no time limit for time trial competition.
The time limit for road races is 10%.

5. Bike and Equipment Check

ITT and Mixed Relay TTT

Riders must attend the equipment check at least 15 minutes before their scheduled start time. All bikes including the spare bikes must be checked using a measuring jig that complies with UCI Regulations. Once checked, bikes will not be allowed outside the start area. A pre-check of bikes will be organized between 08:15 and 09:45 on 6 June – 9 June. Teams may present their bikes for checking at this time. The following time slots are arranged for bike pre-check:

Thursday 6 June: 8h15 to 9h45 for all events on 6 June.

Friday 7 June: 8h15 to 9h45 for all events on 7 June.

Saturday 8 June: 8h15 to 9h45 for all events on 8 June.

Sunday 9 June: 8h15 to 9h45 for all events on 9 June.

No pre-checks will be conducted after 9h45 each day mentioned above. This means that even for riders starting later in the day, if they want to have pre-checks they will need to come in this window of time.

For the time trials, if teams have spare bikes they have to bring them to the pre-check for checks. If during the race a rider changes bike, they must report immediately after the race to the bike check area to have that bike checked. Failure to do so could result in penalties, which can include disqualification.

For the mass start road races, at the end of each race the top 3 riders as well as any riders identified as randoms must immediately report to the bike control area, along with their bikes. If one of these riders does not appear at bike control, this can be considered **evading a bike control** and the penalties are elimination or disqualification (UCI 2.12.007.2.6) and may include up to a one year suspension and/or face significant financial penalties.
