39<sup>th</sup> Asian Road Cycling Championships, 26<sup>th</sup> Asian Junior Road Cycling Championships & 8<sup>th</sup> Asian Para Road Cycling Championships

Uzbekistan is a country of world-famous historic cities and sites of ancient settlements with their most impressive architectural monuments. During its long and rich history, the predecessors of today's Uzbekistan experienced a lot of everything. They were involved in the growth and decline of the world's most powerful empires – of Alexander the Great, Genghis Khan and Tamerlane; they suffered from a lot of wars and massacres – and enjoyed outstanding blossoms of art and science. They were crossroads of civilizations' interaction for centuries where various cultures met and exchanged their values; thousands of caravans crossed these lands along the Great Silk Road connecting the Middle East, Mediterranean and Europe with India and China.
