

Introduction

Thai Cycling Association pleased to invite NF's that affiliated in the Asian Cycling confederation (ACC) to the ASIAN BMX CONTINENTAL CHAMPIONSHIPS 2024 which will be held in BMX Racing Track in Kamon Sport Park, Bangkok.

The Championships combined with the UCI championships and Challenges classes. And in the Championships classes are very important for the last chance of NFs to gain the Olympic 2024 BMX racing qualifying points as a continental championship.

The Championships venue is located outskirts of Eastern Bangkok, the track is the UCI's Supercross standard with 8 meters and 5 meters start hills and has 2 straight lines that separated between pro lines and challenge lines also equipped with international standard facilities.
